Parental consent form for use of images of children and young people

Consent form for the use of photographs, video or web

Insert name of organisation support Dudley Safeguarding People Partnership in recognising the need to ensure the welfare and safety of children and young people.

In accordance with Dudley Safeguarding People Partnership guidelines, photographs, videos or other images of children and young people will not be taken without the consent of the **parents or carer**.

Legal requirement

In order to comply with Data Protection Law, a lawful basis is required before capturing images, which are classified as data, of a child or young person. Obtaining consent from either the parent, guardian or legally appointed representative of the child or young person provides that lawful basis.

I would therefore like to ask for your consent for image capturing, either through photography or videoing, of your child in the following ways. As part of our commitment to safeguarding, consent is also required separately to name children and young people in materials.

Please sign the areas you consent to individually.
