

# DON'T SWIM UNSUPERVISED IN OPEN WATER!

If you decide to take a swim make sure it's a safe place to do so, is supervised and look out for any warning signs or hidden dangers.

**IF THERE'S NO LIFEGUARD – DON'T GO IN!**

Every year around 400 people on average die in the UK from drowning, with thousands more rescued but left with permanent and life-changing injuries.

Enjoy the water –  
swim safe!
